Savor the Slow Roast

The Menu

Executive Chef Jake Hizny, CEC will utilize his 30+ years of experience by hand selecting the freshest meats and poultry to achieve superior tenderness, mouthwatering juiciness and exceptional rich flavor to provide a satisfying experience you expect.

INDIVIDUAL SANDWICHES

Your choice of a fresh, crusty roll or an artisan baguette filled with roast pork, beef or turkey.

PORK

Our USDA Pork seasoned with Jay's secret recipe of spices and seasonings is slow roasted for over 10 hours. The end result is thinly sliced garlicky pork that is amazingly juicy.

BEEF

Our Choice USDA Beef is hand rubbed with Jay's secret recipe blend of spices and seasonings. Then it is slow roasted until the peak of perfection. The end result is just mouthwatering. Trust us you will be asking for seconds!

TURKEY

Our USDA Grade "A" On-The-Bone Turkey Breasts are brined under refrigeration for 12 hours. They are then hand-rubbed with a mixture of Jay's secret spices and seasonings and are slow roasted from 3-5 hours. Just imagine the results!

AU JUS GRAVY

All of Jay's slow roasted meats are dressed with our special blended Au Jus. Unlike a thick heavy gravy that you would use on whipped potatoes ours is incredibly light, aromatic blend of flavorful juice.

THE ROLL

Your choice of a fresh, crusty hoagie roll or an artisan baguette. Either choice will be a nice and crusty on the outside, while the inside is airy with just the right amount of chew.

SIDE SALADS

Age proven recipes are used to make our Red Potato Salad, Cole Slaw or Pasta Salad.

KETTLE COOK'D CHIPS

We use fresh sliced potatoes to make our house-made chips. They are made in batches, which means the chips take longer to cook resulting in their irregular shape, darkened parts and thicker texture. Once they are cooked, we season them with Sea Salt, Jays Famous House Seasoning or Magic BBQ Dust. They are addictive!
